

# ANNUAL AUDITORS' CONFERENCE 2011

## CONFERENCE RESOLUTIONS

They are as stated below:

1. Supreme Audit Institutions should incorporate in their Strategic Plans/annual plans programs for improving knowledge sharing (skills exchange and capacity building) between SAIs through attachments, twinning, secondments, fellowships and study tours in order implement the INTOSAI motto of sharing experiences benefits all
2. Supreme Audit Institutions should work hard in building and sustaining public trust in the accountability process through effective auditing.
3. Supreme Audit Institutions should develop programs for improving SAIs' professional competencies both at personal and organizational levels in order to improve the quality of audit work and increase the credibility of audit reports.
4. Supreme Audit Institutions should promote a culture of integrity adopting well articulated Code of Ethics, ensuring that it is communicated to all auditors and are abiding by it.
5. Supreme Audit Institutions should ensure that there are mechanisms in place for regular and effective follow-up of audit recommendations.

6. Supreme Audit Institutions should strengthen communication with stakeholders for better understanding and appreciation of the SAls' responsibility.
7. Supreme Audit Institutions should insist and take up the audit of Public Private Partnership projects.
